April 11, 2014

To our valued customers in New England—

OUR NEWEST LOCATION

Cabot Business Park
11 Norfolk Street
Mansfield, Massachusetts 02048

Spears Manufacturing Co. is pleased to announce the opening of our New England Distribution Center to serve you even better. Effective April 14th, Spears' newest facility in Mansfield, Massachusetts, will begin operation. This facility will be fully stocked with the entire Spears product line of **pipe, valves, fittings, and solvent cements.**

Customer service will continue to be handled from the Lewisberry, PA office, so there is no need for our customers to change anything. Order entry, stock checks, quotations, etc. will still be processed through the same office and same staff as before. While we expect the change will be virtually seamless, it may take some time for the facility's inventories to get fully "up to speed" on all items in the Spears line. Please be patient as we get rolling; but, also, be assured that the Lewisberry warehouse will continue to complete any orders that cannot ship from Mansfield with the same, "same day" shipping, that Spears is so well known for.

"Will call" orders can also be accommodated from Mansfield, provided your orders are placed with Lewisberry, and you give us a little time.

Thank you for your support.
