# LEGENDARY PRODUCT SHOWCASE

## The Legend T-2008NL and T-1960NL

Legend has the most expansive offering of compact & durable full port PEX ball valves.

The **T-2008NL** has two drop ears on the body that allow it to be fastened onto a frame or structure, providing a point of stability for the PEX tubing in a potable water system.

The Legend **T-1960NL** PEX x PEX ball valve has ASTM F1960 cold expansion PEX ends for piping systems utilizing PEXa tubing. The T-1960NL is now available.
